Excerpt from [REDACTED] Memorandum for the Record, 1 August 1966

25X1A

25X6

The DCI undertook to examine the NSCIDs and DCIDs and report which, if any, of these required modification. [REDACTED] reported that existing arrangements with respect to ELINT in [REDACTED] do not conform to the provisions of NSCID 6. It was not clear to me whether this was supposed to be evidence of a need to change the NSCID or to change the arrangements. General Taylor said that existing responsibility for the production of economic intelligence did not conform to the provision of NSCID 3. I believe in fact escape clauses of NSCID 3 do cover existing arrangements but the point should be examined.
